

# Certificate of Registration

# Intertek

This is to certify that the quality management system of

## General Dynamics Mission Systems

Main Site 1: 8201 East McDowell Road, Scottsdale, Arizona, 85257, USA

## General Dynamics Mission Systems - Canada

Main Site 2: 1941 Robertson Road, Ottawa, Ontario, K2H 5B7, Canada

has been assessed and registered by Intertek as conforming to the requirements of

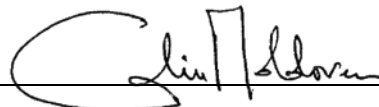

## ISO 9001:2008

The quality management system is applicable to

Design, development, integration, manufacture, service, installation, support, operation and training of command and control systems, space and terrestrial communication systems and antennas, intelligence, surveillance, reconnaissance, information assurance, information networks, modeling and simulation software, computing systems and wireless communication products for scientific, commercial, defense and government applications worldwide.

*(An appendix is also part of this certificate of registration.)*

Certificate Number: QMS-0573-03  
Initial Certification Date: 26 June 2013  
Certificate Issue Date: 26 June 2016  
Certificate Expiry Date: 14 September 2018

Calin Moldovean, President  
Intertek Testing Services NA, Inc.  
900 Chelmsford Street, Suite 301-3, Lowell, MA, USA

In the issuance of this certificate, Intertek assumes no liability to any party other than to the Client, and then only in accordance with the agreed upon Certification Agreement. This certificate's validity is subject to the organization maintaining their system in accordance with Intertek's requirements for systems certification. Validity may be confirmed via email at [certificate.validation@intertek.com](mailto:certificate.validation@intertek.com) or by scanning the code to the right with a smartphone.

The certificate remains the property of Intertek, to whom it must be returned upon request.

CT-ISO 9001-2008-ANAB-EN-LT-L-26.jun.15

# Appendix 1 to Certificate of Registration

This appendix identifies the locations by the management system of  
**General Dynamics Mission Systems**  
**General Dynamics Mission Systems - Canada**

**Additional Site 1: 6000 Technology Drive, Building 6, Huntsville, Alabama, 35805, USA**

Design, development, integration, manufacture, service, support and operation of command and control systems and information networks products for defense and government applications worldwide.

**Additional Site 2: 12001 Research Parkway, Suite 500, Orlando, Florida, 32826, USA**

Design, development, service, support, modeling and simulation software products for defense and government applications worldwide.

**Additional Site 3: 1700 Magnavox Way, Fort Wayne, Indiana, 46804, USA**

Design, development, service, support and operation of command and control systems products for defense and government applications worldwide.

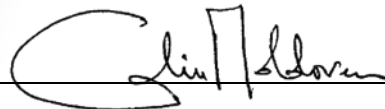

**Additional Site 4: 400 John Quincy Adams Road, Building 80, Taunton, Massachusetts, 02780, USA**

Design, development, integration, manufacture, service, support and operation of command and control systems, terrestrial communication systems, information assurance, information networks, software and computing systems products for defense and government applications worldwide.

**Additional Site 5: 275 John Hancock Road, Building 87, Taunton, Massachusetts, 02780, USA**

Receiving, incoming inspection, warehouse and stockroom.

Certificate Number: QMS-0573-03  
Initial Certification Date: 26 June 2013  
Certificate Issue Date: 26 June 2016  
Certificate Expiry Date: 14 September 2018

*Calin Moldovean, President*  
*Intertek Testing Services NA, Inc.*  
*900 Chelmsford Street, Suite 301-3, Lowell, MA, USA*

In the issuance of this certificate, Intertek assumes no liability to any party other than to the Client, and then only in accordance with the agreed upon Certification Agreement. This certificate's validity is subject to the organization maintaining their system in accordance with Intertek's requirements for systems certification. The certificate remains the property of Intertek, to whom it must be returned upon request.

CT-ISO 9001-2008-ANAB-EN-LT-L-26.jun.15

# Appendix 2 to Certificate of Registration

Intertek

This appendix identifies the locations by the management system of  
**General Dynamics Mission Systems**  
**General Dynamics Mission Systems - Canada**

**Additional Site 6: 425 John Quincy Adams Road, Building 88, Taunton, Massachusetts, 02780, USA**

Design, development, service, procurement, business development, proposal center, and edge innovation center.

**Additional Site 7: 4488 Lawing Chapel Church Road, Maiden, North Carolina, 28650, USA**

Antenna Test Range.

**Additional Site 8: 2205 Fortune Drive, San Jose, California, 95131, USA**

Equipment and system design; firmware development, electronic assembly and testing for satellite communication earth stations, telemetry tracking, command and monitoring and scientific astronomical instruments.

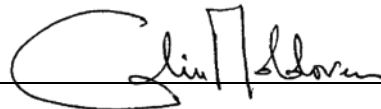

**Additional Site 9: 1472 Joe Johnson Road, Catawba, North Carolina, 28609, USA**

Manufacturing and assembly.

**Additional Site 10: 1700 Cable Drive, Conover, North Carolina, 28613, USA**

Design and manufacture of satellite and terrestrial microwave communication antennas for domestic and international applications, specializing in a full line of antennas and accessories for mobile satellite communications and fixed communication gateways.

Certificate Number: QMS -0573-03  
Initial Certification Date: 26 June 2013  
Certificate Issue Date: 26 June 2016  
Certificate Expiry Date: 14 September 2018

*Calin Moldovean, President  
Intertek Testing Services NA, Inc.  
900 Chelmsford Street, Suite 301-3, Lowell, MA, USA*

In the issuance of this certificate, Intertek assumes no liability to any party other than to the Client, and then only in accordance with the agreed upon Certification Agreement. This certificate's validity is subject to the organization maintaining their system in accordance with Intertek's requirements for systems certification. CT-ISO 9001-2008-ANAB-EN-LT-L-26.jun.15

# Appendix 3 to Certificate of Registration

This appendix identifies the locations by the management system of  
**General Dynamics Mission Systems**  
**General Dynamics Mission Systems - Canada**

**Additional Site 11: 2120 Old Gatesburg Road, State College, Pennsylvania, 16803, USA**

Design, development and manufacture of low noise amplifiers, solid state power amplifiers, converters and other related RF products used in telecommunication systems.

**Additional Site 12: 2600 North Longview Street, Kilgore, Texas, 75662, USA**

Design, manufacture and service of satellite earth station, troposcatter and air traffic control antenna products and related equipment

**Additional Site 13: 1104 Energy Drive, Kilgore, Texas, 75662, USA**

Design, manufacture and service of satellite earth station, troposcatter antenna products and related equipment.

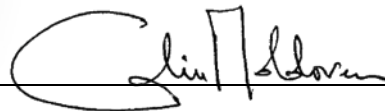

**Additional Site 14: 2204 North Longview Street, Kilgore, Texas, 75662, USA**

Warehouse, depot and antenna feed refurbishment.

**Additional Site 15: FM 2087 Norris Road, Kilgore, Texas, 75662, USA**

Antenna test range.

Certificate Number: QMS-0573-03  
Initial Certification Date: 26 June 2013  
Certificate Issue Date: 26 June 2016  
Certificate Expiry Date: 14 September 2018

*Calin Moldovean, President*  
*Intertek Testing Services NA, Inc.*  
*900 Chelmsford Street, Suite 301-3, Lowell, MA, USA*

# Appendix 4 to Certificate of Registration

Intertek

This appendix identifies the locations by the management system of  
**General Dynamics Mission Systems**  
**General Dynamics Mission Systems - Canada**

**Additional Site 16: 1219 Digital Drive, Suite 101, Richardson, Texas, 75081, USA**

Design, development, manufacture, management and servicing of electromechanical precision pointing structures, precision control systems, monitor and control systems for antennas, radars and telescopes for communication, government and scientific communities.

**Additional Site 17: 1004 North MLK Avenue, Wortham, Texas, 76693, USA**

Manufacture of fabricated towers and structures for commercial, defense and government applications worldwide.

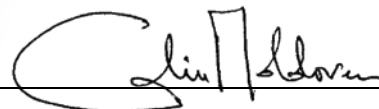

**Additional Site 18: 1941 Robertson Road, Ottawa, Ontario, K2H 5B7, Canada**

Design, development, integration, manufacture, fielding, servicing and project management of sub-systems, products and specialized services for governments and prime contractors in worldwide defense applications.

**Additional Site 19: 1020 68th Avenue, N.E., Calgary, Alberta, T2E 8P2, Canada**

Design, development, integration, manufacture, fielding, servicing and project management of sub-systems, products and specialized services for governments and prime contractors in worldwide defense applications.

Certificate Number: QMS-0573-03  
Initial Certification Date: 26 June 2013  
Certificate Issue Date: 26 June 2016  
Certificate Expiry Date: 14 September 2018

# Appendix 5 to Certificate of Registration

Intertek

This appendix identifies the locations by the management system of  
**General Dynamics Mission Systems**  
**General Dynamics Mission Systems - Canada**

**Additional Site 20: 3111 Fujita Street, Torrance, California, 90505, USA**

Design and manufacture of satellite and earth-station communication components and related products for commercial, defense and government applications worldwide.

**Additional Site 21: 31 Millbrook Avenue, Dartmouth, Nova Scotia, B2V 0A2, Canada**

Design, Development, Integration, Manufacture, Installation, Fielding, Servicing and Project Management of Sub-systems, Products and Specialized Services for Governments and Prime Contractors in worldwide Defense Applications.

**Additional Site 22: 2730 Sidney Street, Building 2, Suite 310, Pittsburgh, Pennsylvania, 15203, USA**

Design, development, support, software products for defense and government applications worldwide.

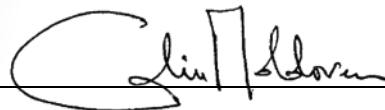

**Additional Site 23: 24 Simon Street, Nashua, New Hampshire, 06060, USA**

Manufacture of infrared cameras and optics for commercial, defense and government applications worldwide. Proposals, planning and program management, design and development, supplier quality, production, integration and test, service, support.

**Additional Site 24: 333 Crown Point Circle, Suite 125, Grass Valley, California, 95945, USA**

Design, Manufacture, Assembly and Refurbishment of Imaging Systems, Assemblies, Components and Test Equipment in UV, Visible and Infrared Spectral Ranges.

Certificate Number: QMS-0573-03  
Initial Certification Date: 26 June 2013  
Certificate Issue Date: 26 June 2016  
Certificate Expiry Date: 14 September 2018

# Appendix 9 to Certificate of Registration

Intertek

This appendix identifies the locations by the management system of  
**General Dynamics Mission Systems**  
**General Dynamics Mission - Canada**

**Additional Site 40: 8220 E Roosevelt Street, Scottsdale, Arizona, 85257, USA**

Design, development, integration, manufacture, service, installation, support, operation and training of command and control systems, space and terrestrial communication systems and antennas, intelligence, surveillance, reconnaissance, information assurance, information networks, modeling and simulation software, computing systems and wireless communication products for scientific, commercial, defense and government applications worldwide.

**Additional Site 41: 3112 Kashiwa Street, Torrance, California, 90505, USA**

Design and manufacture of satellite and earth station communication components and related products for commercial, defense and government applications worldwide.

**Additional Site 42: 430 National Business Parkway, Suite 200, Annapolis Junction, Maryland, 20701, USA**

Design and development.

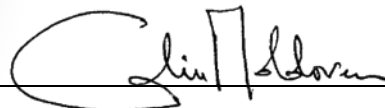

**Additional Site 43: 7603 Saint Andrews Avenue, Suite H, San Diego, California, 92154, USA**

The design and manufacture of precision magnetic motion control products for aerospace, defense and commercial applications.

**Additional Site 44: 3717 Alabama Highway, 157 Cullman, Alabama, 35057, USA**

The ultra-precision machining of beryllium, conventional and other exotic materials and the design, development, production and assembly of optical components such as lenses, filters, mirrors and telescopes.

Certificate Number: QMS-0573-03  
Initial Certification Date: 26 June 2013
